# Family Walking Stick

Included in your VBS Kit is a walking stick (one per family). Every day this week you and your family will add a symbol or wording to the walking stick to remember the day's activities. The walking stick will be a reminder of God's love for you and your walk with Him, just as we witness God's love for Abraham and Abraham's walk with the Lord throughout this week.

Our hope is that in the future every opportunity you have to use this walking stick or see it around your house you will be reminded of this week and God's promises fulfilled.

You are placing your last name on the walking stick today because, this is your family's walking stick. You will be taking it with you on your faith journey through VBS this week.

Joshua 24:15 says, "But as for me and my house, we will serve the LORD."

We are followers of God.

## Day 1 Instructions:

1. Open and assemble your family walking stick.
2. Use the provided paint pen to write your families last name on the circular head of the walking stick. Save the rest of the stick to decorate in the next 4 days.

## Snack Day 1

2. Use additional sprinkle, etc. you may have at home if desired.

1. How would you feel if you moved to a new house or city you had never been to before?
2. What are some ways God has blessed you even in a difficult time?
3. How can we show God we are thankful for our blessings?
4. Do you have any favorite VBS memories from past years?

\*You may wish to say a family prayer of thanks for all your blessings before eating your snack.

You are called to be... **GOD'S CHILD!**

## Family Walking Stick Day 2

Today we will add the names of each member of the family to the walking stick. Just as God called Abram to follow Him, we are all called by name to follow God. We are God's Child.

But now thus says the LORD, he who created you, O Jacob, he who formed you, O Israel: "Fear not, for I have redeemed you; I have called you by name, you are mine.

When you pass through the waters, I will be with you; and through the rivers, they shall not overwhelm you; when you walk through fire you shall not be burned, and the flame shall not consume you. For I am the LORD your God, the Holy One of Israel, your Savior." Isaiah 43:1-3a

### Day 2 Instructions

1. Add the first (or first and middle name) of each member of the family on the first section of the walking stick right below the blue and orange grip.
2. If you have a lot of room left over in this section feel free to add more decoration. Please leave the other sections for coming days.

## Day 2 Craft Instructions:

### Tissue Paper Stained Glass Star

#### Supplies Needed:

- Day 2 Craft Kit
- Scissors
- Tape

1. Use the provided construction paper to cut out star outlines.
2. Peel the backing off of one piece of Contact Paper and place it sticky side up on your table. Tape the corners down so that it doesn't go sliding all over the place.
3. Place one of your star outlines on the Contact Paper. Try not to get too close to the edge, you'll need a little bit of an overlap.
4. Layer the tissue paper squares inside the star cut-out adhering them to the contact paper. Try to keep all of the tissue paper inside the star outlines.

5. When enough tissue paper is applied, fold the included piece of string in half and adhere it to the top star tip, may want to place a final piece of tissue paper over ends to hide them. Carefully place the second star cut-out on top of the first.

6. Peel the backing off the second piece of contact paper and place it over the top, smoothing out all wrinkles as you go. An adult may want to help with this step because it can get tricky.

7. Cut out your stars leaving a bit of Contact Paper around the edge so that it doesn't start unpeeling.

8. Hang your stained glass star in the window and let the sun shine through.

## Snack Day 2

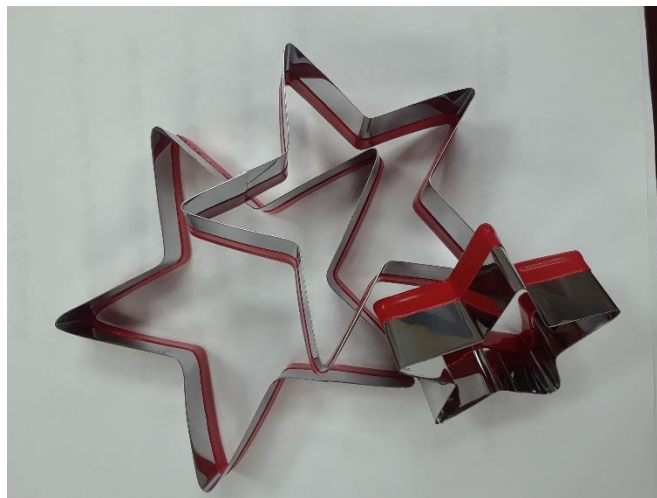

### Star Cookie Cutter Fun

1. Use the provided cookie cutter to cut-out star shapes in sandwiches, rice krispies, fruit, etc. See how creative you can be!

While constructing your snack ask and answer these questions.

1. Have you ever been outside on a clear night and seen all the star that light up the sky? Talk about what that was like.
2. Would you be able to count the stars in the night sky?
3. Talk to your kids about what the words heir, offspring, descendant and covenant mean.
4. How does it make you feel to be a child of God?

\*You may wish to say a family prayer of thanks for all your blessings before eating your snack.

## Family Walking Stick Day 4

Today we read from Scripture the fulfillment of God's promise to Abraham and Sarah that they would have a child. We are blessed by God when new life enters the world.

#### Supplies Needed:

- Day 4 Craft Kit
- Glue Stick
- Scissors
- Markers or Crayons

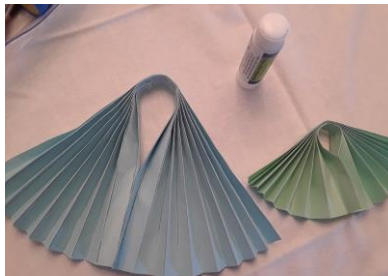

1. Start by accordion folding the half sheet of paper found in your day 4 craft kit. This will be baby Isaac's body.

2. Accordion fold your larger sheet of paper. This will be Sarah's body.

3. Now while keeping your papers in their tight accordion fold, fold each paper in half. Glue the joining middle section together at the bottom. Do NOT glue all the way to the top. You may need to use a clothes pin or your fingers to hold the 2 pieces together while they dry. The hole at the top will be used to insert your head pieces.

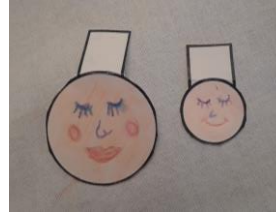

4. Next, thread a piece of yarn through the hole in Sarah (larger craft) and make a knot creating a loop to hang your ornament.

5. Squeeze the accordion closed again. Tie another string around the paper accordion to make a neck, like shown.

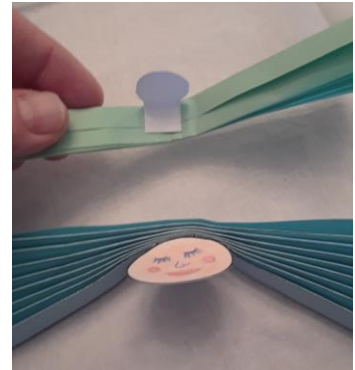

Repeat with Isaac (smaller) piece of paper.

6. Next, grab the printed template and draw your desired face for Sarah and Isaac. Cut them out.

7. Fold the tab over on the Sarah face template and place glue onto the top of the tab. Stick it inside the Sarah "head" opening. If you are having trouble getting the face to fit well inside the paper accordion, try moving the yarn for the neck lower and creating a bigger head hole. Repeat with the Isaac face.

8. Use a third piece of string to secure your Sarah and baby Isaac together.

## Snack Day 4

### Marshmallow Baby Isaacs

1. Use the provided marshmallows and toothpicks to construct a baby.
2. Decorate with frosting and chocolate chips, etc.

While constructing your snack ask and answer these questions.
