Our group has partnered with Pregnancy Help 4 U for the past 4 years, to be the hands and feet of Jesus for sweet babies and their parents.

The May 15 fellowship event is for all LWLC youth 6th grade and older (as well as their friends) who have helped or who plan to help with upcoming Pregnancy Help 4 U projects.

PH4U is a pregnancy clinic providing free medical services and counseling. They bring hope to worried parents and help their babies get the care they need.
